GENERAL INFORMATION

The Schedule of Classes which contains the current course offerings, registration instructions, and information about the upcoming semester, is posted on the Registrar's web site (<http://registrar.hunter.cuny.edu>). This information is generally available at least one month prior to non-degree registration. Enrolling as a non-degree student does not guarantee specific course registration nor does it imply a guarantee of matriculation in a later term. **Non-degree students cannot enroll in Nursing and/or Education courses and are generally closed out of science courses.** You should plan alternative courses in advance. You should also note that although basic skills testing is not required until your 12th credit at Hunter, many courses throughout the College curriculum mandate the passing of all or part of the basic skills test.

All Hunter College courses are credit-bearing, and you will receive grades in each of your courses unless you opt for auditor status at registration. You will be required to maintain good academic standing. It will be your responsibility to abide by Hunter's rules and regulations as outlined in the undergraduate catalogue. Students in a non-degree status are not eligible for financial aid or student visas.

If the application and supporting material are acceptable, registration materials will be sent with further instructions. Please submit the completed and signed form with the required documentation to room 203 North), or mail to: Admissions, Hunter College, 695 Park Avenue, Room 203N, New York, N.Y. 10065.
