

A TIAA-CREF Financial Essentials Workshop

Inside Money: Managing income and debt

TIAA
CREF

It's your budget – take control.

On May 1, 2016, CUNY will be making changes to the loan provision of the CUNY Retirement Plan. Now is a good time to review these upcoming changes and to discuss the true costs of borrowing from your retirement account. Taking loans or withdrawals from your retirement plan can have costs both now and in the future.

In addition, everyone talks about a budget, but how many of us actually make one?

Most people have some debt, but how many understand its effects on their lives and their futures? Let us show you the real impact of budgeting and debt – and how to help make your money work.

TIAA-CREF's workshop leader will:

- Review May 1, 2016 loan provision changes to the CUNY Retirement Plan.
- Discuss the importance of cash flow – and how to use it
- Help you change how you look at saving and spending
- Identify good and bad debt – and ways to help manage it
