Change Your @MyHunter (Office365) Password

Your @MyHunter (Office 365) email password is your CUNYfirst password. To change your email password, you will need to go to your CUNYfirst account and change your CUNYfirst password.

Note: Whenever you change your CUNYfirst password, your email password will change automatically. (Depending on the traffic volume on the CUNYfirst website, you may need to wait briefly for your password to synchronize up with your CUNYfirst and email account.)

Changing your Password

1. **Enter** https://home.cunyfirst.cuny.edu in your browser's address bar.
(Note: Internet Explorer is the recommended browser for CUNYfirst.)

2. Click on "Forgot your password?" link.

Note: If you forgot your User ID and your Empl ID, then try to proceed as a "First Time User." This will not create a new account, but will simply replace your previous account.

All usernames in CUNYfirst follow this pattern: Firstname.LastnameXX, where XX are the last two digits of your Empl ID, i.e. Jane.Smith03.
