My Old Dog

“Bye Gizmo, I love you!” Benny and her family were going to her uncle Bob who was getting married, but Gizmo couldn’t go. So, her friend, Abby and her mother would take care of Gizmo while they would be out of town. Gizmo *tried the face*, he gave that sorry look, so that Benny would not leave. He put his ears up and his cut little nose and licked her face. Gizmo guilt trick did not work this time around and Benny had to leave anyway. “Gizmo, before I go, are you hungry?” “NO, I’M UPSET!,” said Gizmo. Benny jumped back and with a confused and surprised look on her face as she screamed, AHHHHHHHHHHHHHHH! “You are not suppose to be talking she chattered.” “You are a dog!” Gizmo replied AHHHH, yea yea, you scream, I scream, we all scream for ice cream.”
