

Name Matthew

10 / 21 / 2010

I played with My Wii and I beat the game yesterday, what I saw with my eyes is the game beating the game, you need to kill the stuff that is trying to kill you and you need to get the coins for lives, My legs were Chris apple socc. So My feet were Next to My Needs. I was thinking how to beat the game to kill also to kill the stuff that was trying to morpo!
