Molly Pitcher,
One brave young girl,
Fired her cannon
To defeat the English.

Molly Pitcher,
One brave young girl,
Stood up to a boy
Who threatened to throw a rock at her
And kill her cow.
But she was brave
And stood up
For herself.

Molly Pitcher,
One brave young girl,
Made masks for men
Who were going to
Get rid of the tax collector.

Molly Pitcher,
One brave young girl,
Helped a friend
Get away from robbers.

Molly Pitcher,
One brave young girl,
Fired her cannon
To defeat the English.
