

# Research Analyst Program

## Accepting applications for Summer 2023

Work with leading economists in the New York Fed's Research and Statistics Group

- Help conduct innovative research on current economic and policy issues.
- Enjoy competitive compensation and a range of benefits, including tuition assistance, a 401(k) program, and health and dental insurance.
- Prepare for the next step. RAs go on to follow a variety of career paths, including Ph.D. programs in economics, finance, and other specialties; advanced degrees in business, public policy, law, and medicine; careers at nonprofits, financial services and tech firms, as well as with other areas of the New York Fed.

**GRADUATING SENIORS**  
Apply online:  
[nyfed.org/RArecruit](https://nyfed.org/RArecruit)

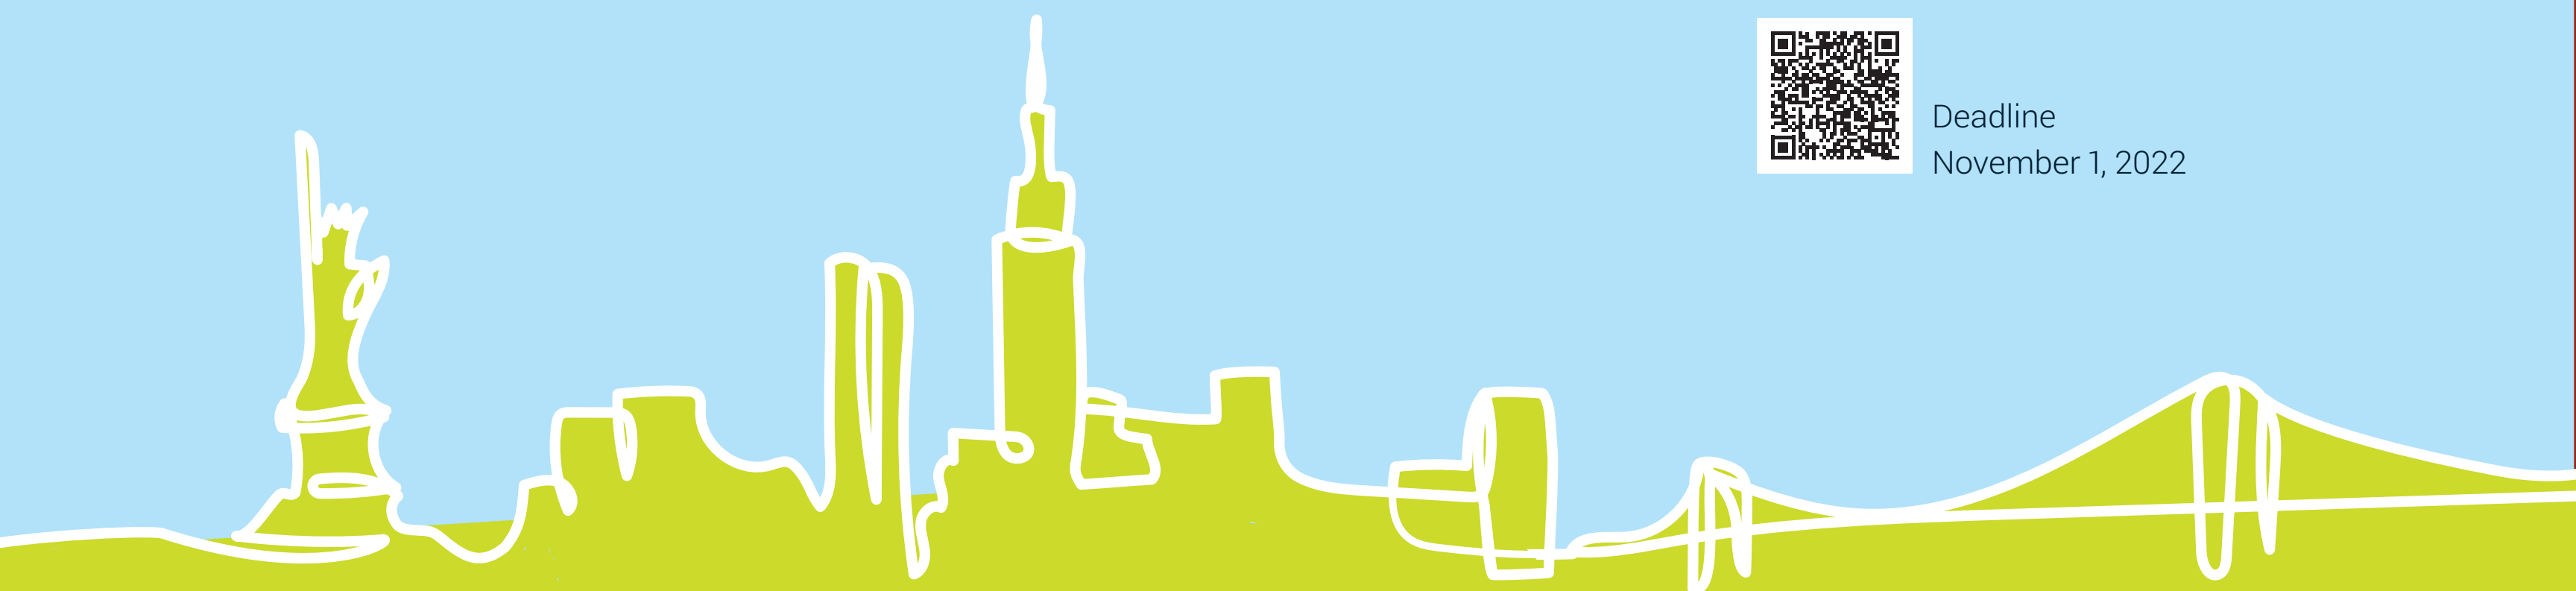

Deadline  
October 15, 2022

**UNDERGRADUATES**  
Summer internships are also available: [nyfed.org/Interns](https://nyfed.org/Interns)

Deadline  
November 1, 2022

We welcome applicants of all backgrounds and experiences eager for a challenging and rewarding intellectual experience and particularly encourage applicants from underrepresented backgrounds in the field of economics.
