

Peer Reviewed Publications for **Dr. Milo Lipovac**
2000 - Present

Lipovac, M.N., Kezić, A.V., & Bajčetić, M.P. (2019). *Pharmacology for Allied Health Professionals*. Linus Learning, Inc. ISBN 10: 1-60797-817-2.

Lipovac, M., Lipovac, S., & Holland, T. (2012). *Prevention and Treatment of Wounds*. Linus Learning, Inc. ISBN 10: 1-60797-278-6.

Lipovac, S., **Lipovac, M.**, & Grimaldi, G. (2012). *Pocket Guide to Basic Rehabilitation*. Linus Learning, Inc. ISBN 10: 1-60795-260-3.

Lipovac, M.N., Holland, T., Poleksic, A. Killian, C, & Lajtha, A. (2003). The possible role of glutamate uptake in metaphit-induced seizures. *Neurochemical Research*. 28(5): 723-31.

Babyar, S.R., Rosen, E., Sliwinski, M., Krasilovsky, G., Holland, T., & **Lipovac, M.N.** (2003). Physical therapy students self-report of development of clinical reasoning. *Journal of Allied Health*. 32(4): 227-239.

Sziraki, I., Hashim, A., Sershen, H., Allen, D., Cooper, T., **Lipovac, M.N.**, & Lajtha, A. (2003). Strain differences in sensitivity of central dopamine systems to nicotine in Lewis and Fisher 344 rats. In: Kehr, J., Fuxe, K., Ungerstedt, U., & Svensson, T. (Eds) *Monitoring Molecules in Neuroscience*. Karolinska Institute. pp: 143-45.

Sziraki, I., **Lipovac, M.N.**, Hashim, A., Sershen, H., Allen, D., Cooper, T., Czobor, P., & Lajtha, A. (2001). Differences in nicotine-induced dopamine release and nicotine pharmacokinetics between Lewis and Fisher 344 rats. *Neurochemical Research*. 26(6), 609-617.

Peer Reviewed Presentations for **Dr. Milo Lipovac**
2000 - Present

Lipovac, M.N., Zlokovic, B.V., Reith, M.E.A., & A. Lajtha. (August, 2001). *Effect of metaphit on GABA transport into the brain*. Buenos Aires, Argentina. 18th Biennial meeting of the International Society for Neurochemistry-ISN.

Sziraki, I., **Lipovac, M.N.**, Hashim, A., Sershen, H., Allen, D., Cooper, T., & Lajtha, A. (August, 2001). *Factors in nicotine preference differences between Lewis and Fisher strain rats*. Buenos Aires, Argentina. 18th Biennial meeting of the International Society for Neurochemistry-ISN.

Lipovac, M.N., Zlokovic, B.V., Reith, M.E.A., & A. Lajtha. (March, 2000). *Metaphit induced seizure: relation to blood brain barrier*. Chicago, IL. American Society for Neurochemistry-Annual Meeting.
