FROM: PT 900 Directed Research IV, 1 credit, 3 hours/week

TO: PT 895 Directed Research IV, 1 credit, 3 hours/week

Rationale/Justification: The Physical Therapy curriculum has evolved from a degree leading to a Master in Physical Therapy to a Doctorate in Physical Therapy. Courses were renumbered and/or course names revised to avoid conflict with course numbers used in the MPT curriculum. There were no changes to the course content or the learning objectives.

2. Consultation Statement:

Is the proposed change likely to affect another Department or Program?

NO YES – I yes, list the department/program:

Has the Department/Program been consulted? NO Yes

Department of Physical Therapy Routine Change in Course Numbers of Prerequisites:

PT 740 PT Prevention and Intervention, 4 credits, 6 hours/week

From: Prerequisites: ~~PT 710, PT 720~~

To: **Prerequisites: PT 706, PT 708**

Rationale/Justification: The Physical Therapy curriculum has evolved from a degree leading to a Master in Physical Therapy to a Doctorate in Physical Therapy. Courses were renumbered and/or course names revised to avoid conflict with course numbers used in the MPT curriculum. The prerequisite(s) for this course remain the same, but the course number designation of these prerequisite courses has been revised. There were no changes to the course content or the learning objectives.

2. Consultation Statement:

Is the proposed change likely to affect another Department or Program?

NO YES – I yes, list the department/program:

Has the Department/Program been consulted? NO Yes

PT 780 Clinical Medicine for Physical Therapy, 3 credit, 3 hours/week

From: Prerequisites: ~~PT 710, PT 720~~

To: **Prerequisites: PT 701, PT 708**

Rationale/Justification: The Physical Therapy curriculum has evolved from a degree leading to a Master in Physical Therapy to a Doctorate in Physical Therapy. Courses were renumbered and/or course names revised to avoid conflict with course numbers used in the MPT curriculum. The prerequisite(s) for this course remain the same, but the course number designation of these prerequisite courses has been revised. There were no changes to the course content or the learning objectives.

2. Consultation Statement:

Is the proposed change likely to affect another Department or Program?

NO YES – I yes, list the department/program:

Has the Department/Program been consulted? NO Yes

PT 795 Integumentary System: Assessment & Intervention, 1 credit, 2 hours/week

From: Prerequisites: ~~PT 710, PT 720~~

To: **Prerequisites: PT 701, PT 708**

Rationale/Justification: The Physical Therapy curriculum has evolved from a degree leading to a Master in Physical Therapy to a Doctorate in Physical Therapy. Courses were renumbered and/or course names revised to avoid conflict with course numbers used in the MPT curriculum. The prerequisite(s) for this course remain the same, but the course number designation of these prerequisite courses has been revised. There were no changes to the course content or the learning objectives.

2. Consultation Statement:

Is the proposed change likely to affect another Department or Program?

NO YES – I yes, list the department/program:

Has the Department/Program been consulted? NO Yes

PT 803 Differential Diagnosis & Intervention in Clinical Orthopedics I, 4 credit, 6 hours/week

From: Prerequisites: ~~PT 730, PT 760~~, PT 790

To: **Prerequisites: PT 751, PT 752, PT 790**

Rationale/Justification: The Physical Therapy curriculum has evolved from a degree leading to a Master in Physical Therapy to a Doctorate in Physical Therapy. Courses were renumbered and/or course names revised to avoid conflict with course numbers used in the MPT curriculum. The prerequisite(s) for this course remain the same, but the course number designation of these prerequisite courses has been revised. There were no changes to the course content or the learning objectives.

2. Consultation Statement:

Is the proposed change likely to affect another Department or Program?

NO YES – I yes, list the department/program:

Has the Department/Program been consulted? NO Yes

PT 804 Introduction to Neurological Physical Therapy, 2 credit, 3 hours/week

From: Prerequisites: ~~PT 730, PT 760~~

To: **Prerequisites: PT 751, PT 752**

Rationale/Justification: The Physical Therapy curriculum has evolved from a degree leading to a Master in Physical Therapy to a Doctorate in Physical Therapy. Courses were renumbered and/or course names revised to avoid conflict with course numbers used in the MPT curriculum. The prerequisite(s) for this course remain the same, but the course number designation of these prerequisite courses has been revised. There were no changes to the course content or the learning objectives.

2. Consultation Statement:

Is the proposed change likely to affect another Department or Program?

NO YES – I yes, list the department/program:

Has the Department/Program been consulted? NO Yes

PT 805 Musculoskeletal Examination and Interventions I, 3 credit, 4 hours/week

From: Prerequisites: PT 740, ~~PT 760~~, PT 780

To: **Prerequisites: PT 740, PT 752, PT 780**

Rationale/Justification: The Physical Therapy curriculum has evolved from a degree leading to a Master in Physical Therapy to a Doctorate in Physical Therapy. Courses were renumbered and/or course names revised to avoid conflict with course numbers used in the MPT curriculum. The prerequisite(s) for this course remain the same, but the course number designation of these prerequisite courses has been revised. There were no changes to the course content or the learning objectives.

2. Consultation Statement:

Is the proposed change likely to affect another Department or Program?

NO YES – I yes, list the department/program:

Has the Department/Program been consulted? NO Yes

PT 811 Cardiac Rehabilitation , 2 credit, 3 hours/week

From: Prerequisites: ~~PT 710, PT 720~~

To: **Prerequisites: PT 701, PT 708**

Rationale/Justification: The Physical Therapy curriculum has evolved from a degree leading to a Master in Physical Therapy to a Doctorate in Physical Therapy. Courses were renumbered and/or course names revised to avoid conflict with course numbers used in the MPT curriculum. The prerequisite(s) for this course remain the same, but the course number designation of these prerequisite courses has been revised. There were no changes to the course content or the learning objectives.

2. Consultation Statement:

Is the proposed change likely to affect another Department or Program?

NO YES – I yes, list the department/program:

Has the Department/Program been consulted? NO Yes

PT 752 Lower Extremity Kinesiology and Assessment, 2 credit, 4 hours/week

From: Prerequisites: ~~PT 710, PT 720~~

To: **Prerequisites: PT 701, PT 708**

Rationale/Justification: The Physical Therapy curriculum has evolved from a degree leading to a Master in Physical Therapy to a Doctorate in Physical Therapy. Courses were renumbered and/or course names revised to avoid conflict with course numbers used in the MPT curriculum. The prerequisite(s) for this course remain the same, but the course number designation of these prerequisite courses has been revised. There were no changes to the course content or the learning objectives.

2. Consultation Statement:

Is the proposed change likely to affect another Department or Program?

NO YES – I yes, list the department/program:

Has the Department/Program been consulted? NO Yes

PT 770 Directed Research I, 1 credit, 3 hours/week

From: Prerequisites: ~~PT 710, PT 720~~

To: **Prerequisites: PT 701, PT 708**

Rationale/Justification: The Physical Therapy curriculum has evolved from a degree leading to a Master in Physical Therapy to a Doctorate in Physical Therapy. Courses were renumbered and/or course names revised to avoid conflict with course numbers used in the MPT curriculum.
