

Accounting Interview Questions

1. Take me through your resume.
2. If we were to call your current supervisor, in which area of accounting would he or she say is your strongest? Which area would he or she say is your weakest?
3. What unique skills or knowledge can you contribute to our company?
4. What additional training or experience will we need to provide you with in order to perform the duties of this position?
5. Tell me about your experience in reconciliation.
6. When do you plan on attaining your CPA? What steps will you take to prepare yourself?
7. Give us an example of how you have used your creativity to solve a problem on the job.
8. Tell us about any accounting process that you've either developed or revised. How would you evaluate the effectiveness of your work?
9. Why have you chosen a career in Accounting?
10. What aspect of accounting do you dislike the most?
If the Accountant position that you are seeking is in audit, don't use audit as the aspect that you dislike the most. Choose the aspect of accounting that you dislike the most that is most unrelated to the job that you are interviewing for.
11. What salary are you seeking?
How does your experience and qualifications match up to the job? Do you know how much other companies are paying?
12. Do you have anything to add?
