STUDENT VETERAN SERVICES

Student Veteran Services (SVS) is proud to provide dedicated support, resources and information to help meet the unique needs of our student veteran population and assist with the successful transition to Hunter College. We understand that balancing college life with military, career, family and personal responsibilities can be extremely challenging, and SVS is available for guidance and support.

INSTITUTIONAL AND ACADEMIC SUPPORT

PRIORITY REGISTRATION

First degree-seeking undergraduate veterans* may enroll in classes on the FIRST day of the registration period. This benefit provides student veterans with the widest class options and scheduling choices (days and times).

*Student veterans receive priority registration status after their first semester at the college.

TUITION DEFERRAL

Student veterans have until the last day of each semester to pay tuition/fees to the college. This benefit is not automatic and must be requested every semester upon registration for classes.
